A good education is always a trend. The Government of Saint Lucia, through the Department of Education, Innovation, Science and Vocational Training, cordially invites you to be part of the trend at **Saint Lucia College and Career Fair 2025, on October 30 and 31** under the theme:

“IGNITE YOUR FUTURE: EXPLORE, CONNECT, ACHIEVE”

October 30, 2025 – National Skills Development Centre (NSDC) South
Cedar Heights, Vieux Fort

October 31, 2025 – Finance Administrative Centre
Point Seraphine, Castries

Saint Lucia College and Career Fair 2025, as is true for all our previous fairs, promises to be a successful and productive event which would provide participating institutions with the following opportunities:

- ✓ Recruiting prospective students
- ✓ Forming corporate relationships with local institutions/agencies
- ✓ Marketing their institutions

Interested individuals from the public should take this wonderful opportunity to meet one-on-one with representatives from participating institutions to get first hand information about the products and services offered and to familiarize themselves with the modes of accessing those educational products and services.

The Venue

This year's Fair will be held in the South and the North of the island at the following venues:

National Skills Development Centre (NSDC) South

The National Skills Development Centre (NSDC), supported by both the private and public sectors, plays a vital role in preparing Saint Lucians for success in the global labour market by providing them with practical skills, professional knowledge, and positive attitudes.

Situated in the south of the island, NSDC South enjoys a strategic location in close proximity to the Hewanorra International Airport, the Windward and Leeward Brewery (Saint Lucia's premier beverage company), as well as, two of the region's most important educational institutions - Vieux Fort Comprehensive Secondary School and the Sir Arthur Lewis Community College – Southern Extension.
